

# KAUAI AMATEUR RADIO CLUB

P.O. Box 548  
Kalaheo, Hawaii 96741

12 July 1984

To All Members

Fellow Club Members:

Our next club meeting will be held in the Kalaheo Neighborhood Center, between the Fire Station and the Big Save store in downtown Kalaheo at 7:30 pm on Monday evening, the 6th of August, 1984. That in itself is not unusual, but MARK YOUR CALENDARS and make a note to SAVE A FEW DOLLARS OUT OF YOUR LAST PREVIOUS PAYCHECK AND BRING IT WITH YOU.

For those who were not at the July meeting, the upcoming meeting in Kalaheo is to be our annual AUCTION meeting. The club project chief this year is Jerry Hill KH6HU, 335-6143, who will be happy to answer any of your questions about the auction. Robbie Reneau KH6JIB has agreed to be our auctioneer again this year so we will be able to look forward to a well run and entertaining event.

But the people up front are not the only ones who make an auction such as ours successful. Club members must search their ham shacks and junk boxes for items that they no longer require or that they will use very little - if at all - in the future, and bring them to be auctioned. Not only will this activity give you a little more room in the shack and provide you a little return on your no-longer-needed equipment, but it will provide some equipment that may very well be useful to someone else. And it will be useful for the club, too, since the club gets 10% of the purchase price of all items sold. The auction committee would prefer primarily complete units of ham gear and associated equipment that can be connected and used with little or no repair; but components (individual bits and pieces)

One final major bit of information about the club. We are now a TAX EXEMPT organization under the provisions of section 501(c)(3) of the Internal Revenue Code; that is, as a scientific and educational organization. Thus, donations to the club are tax deductible for the donors. This status may help facilitate club acquisition of both monetary and equipment donations in the future.

I hope to see you all at the auction -----

Aloha and 73 --

WILLIAM D. BAISLEY KH6S  
President
