

KAUAI AMATEUR RADIO CLUB

**P.O. Box 548
Kalaheo, HI 96741**

23 October 1984

Ron Crown KH6JI
P.O. Box 972
Kalaheo, HI 96741

Hi, Ron --

This letter is a reminder that the November meeting of the club is, as usual, the **election** meeting. The meeting will be on Monday, 5 November 1984, at the Civil Defense Conference Room in the basement of the county building in Lihue at 1930 HST. Since a **quorum** is required at the meeting in order to hold the election and recent attendance has been down a little, it is desired that everyone mark their calendars for the meeting and make every effort to attend. The election is for all officers except president. All incumbents are eligible for re-election; but the treasurer, Ron Kokubo KH6E, will probably decline to run if nominated. There must be a minimum of two nominees for each position. Plan on attending the meeting to defend yourself, or to be sure your own nominee is placed on the slate.

Our "no notice" **Simulated Emergency Test (SET)** on Saturday, 20 October, was a success. If anyone did anything or made any contacts not involving the CD EOC, let me know so I can get it into the ARRL report.

Next Saturday, 27 October, is the Rotary Club sponsored Walkathon. Those who can participate please call Ed Williams KH6BAS, and let him know. The activity kicks off around 0630 HST.

A reminder. The Kauai ARC is now a tax exempt, or **charitable**, organization under paragraph 501(c)(3) of the IRS rules. Advise any prospective donors or benefactors to that effect, as appropriate.

An exhortation. Lets utilize the island two meter repeaters more.

Aloha and 73,

Bill
WILLIAM D. BAISLEY KH6S
President
