20 October 1982

Aloha,

This is a reminder to all members of the Kauai Amateur Radio Club that the November meeting coming up is one of the most important of the year. This is the meeting when officers are elected for the coming year. I hope to see as many of you there as possible. I know some of you work evenings, so it's impossible for you to attend the meetings, but the rest of you should make every effort to attend.

The November meeting will be held on Monday 1 November, at the ~~Kalaheo recreation center~~. FIRST HAWAIIAN BANK IN LIHUE.

The annual Christmas dinner meeting will be at Da Da restaurant in Waimea. Final details will be presented by the committee during the November meetings. If you plan to attend, and can't make the Nov. meeting, please get in touch with George, KH6DXD, Larry, KH6DLU, Clarence, AH6CG, or Bob, WH6ASY, prior to the meetings.

Attendance at the meetings has been a bit of a disappointment this year. Most meetings have been attended by the same 18 to 20 members, but we have a roster of 48 licensed members. Please remember that this is YOUR club. One of the great things about this club is that all members have the same chance to have their say during any meeting. Not like some clubs where the officers or a board of governors make all the decisions and then advise the members what has been decided. So please make an effort to attend. Those who can't make it due to work schedules can still have their ideas put to the club by one of the other members.

The newer members of the club will find copies of the club roster, Constitution, By-Laws, Organization Plan, and Civil Defense Roster included with this letter. Please pay special attention to the CD roster, and if there is an area in which you feel you could be of assistance, let me or Bill Baisley know. You old-timers who don't have this information in your shacks, let me know & I'll run off some extra copies for you.

See you at the November meeting.

Aloha & 73,

Ed, KB3CQ
President, KARC
